A New Dimension In Clinical Skin Care

Clear Skin Face Wash

The first step in the cleansing process, Clear Skin Face Wash removes dirt, oil, environmental pollutants, and make up without over stripping.

The skin surface is gently cleansed, refreshed, and prepped for treatment.

SKIN BALANCING BOTANICALS HELP SOOTHE IRRITATED SKIN

Licorice and Prickly Pear Cactus Extract serve as counter irritants and help diminish redness.

PROVIDES MAXIMUM ACNE FIGHTING WITHOUT HARSH DRYING EFFECTS

Salicylic, Tea Tree, and Alpine Willow Herb provide anti bacterial and anti inflammatory benefits

SUITABLE FOR COMBINATION TO OILY SKIN TYPES

pH balanced and carefully calibrated to not cause over stripping of the skin.

Acne fighting, non-drying daily face wash for skin prone to blemishes, pimples, blackheads, and excessive sebum.

Clear Skin Face Wash Directions:

Dispense onto wet hands and work to a slight lather. Massage onto skin and rinse with tepid water. Pat dry.

Label Ingredients:

Deionized Water, Sodium Lauryl Sulfate, Cocamide DEA, Citric Acid, Glycerin, Melaleuca Alternifolia Extract, Licorice (Glycyrrhiza Glabra) Extract, Epilobium Fleischeri Extract, (Alpine Herb Extract), Opuntia Ficus Indica Stem Extract, Salicylic Acid, Sodium Chloride, Propylene Glycol, Hydroxyethylcellulose, Polyquaternium-10, Diazolidinyl Urea, Iodopropynyl Butylcarbamate

A New Dimension In Clinical Skin Care

Clear Skin Serum

A unique approach to treating problematic skin. Active ingredients prevent and minimize blemishes while balancing and healing.

Water based treatment serum controls oil, prevents breakouts and restores epidermal water content.

REDUCE INFLAMMATION AND THE DURATION OF ACNE LESIONS

Salicylic and Willow Herb extracts are well documented in addressing acne

PROMOTE HEALTHY SKIN THAT IS BETTER ABLE TO DEFEND AGAINST BACTERIA

Hyaluronic and Seaweed extract create a healthy environment, making the skin more resilient to causes of acne

OIL FREE PRODUCT IS SUITABLE FOR ALL SKIN TYPES

No added oils, emulsifiers, or waxes for immediate penetration and optimal absorption

Treat blemishes, acne, and oily skin without stripping, over drying, or irritating the delicate facial skin. Hyaluronic, BHA, and botanicals treat skin eruptions and promote healthy, resilient skin.

Clear Skin Serum Directions:

Apply to skin post cleansing, exfoliating, peeling, or treatment.

Label Ingredients:

Aqua, Ethanol SDA40, Carrageenan, Glycerin, Salicylic Acid, Sodium Hyaluronate, Epilobium Angustifolium Extract, Triethanolamine, Carbomer, Phenoxyethanol, Caprylyl Glycol, Potassium Sorbate, Hexylene Glycol, Caprylic/Capric Triglyceride

sk!ntech

A New Dimension In Clinical Skin Care

Clear Skin Toner

The last step in the cleansing process, Clear Skin Toner prepares the path for treatment products and ensures the freshest skin possible

The skin surface is gently refined, blackheads effectively cleared out, and the epidermis left clean and fresh.

REDUCE SORENESS, REDNESS AND INFLAMMATION

Salicylic Acid is a known anti inflammatory, anti bacterial, and pain reducer

ACNE CAUSING BACTERIAL IS NEUTRALIZED AND SWEEP AWAY

Witch Hazel, and Alpine Willow Herb provide protection from blemishes

SUITABLE FOR COMBINATION TO OILY SKIN TYPES

pH balanced and carefully calibrated to not cause drying effect on the skin.

BHA and AHA work to soften blackheads, suppress conditions that promote acne, and heal blemishes. Refreshes the skin, removes residue, and readies the face for treatment.

Clear Skin Toner Directions:

Apply to cotton pad and sweep across skin. Repeat until no residue can be seen on cotton.

Label Ingredients:

Aqua, Hamamelis Virginiana Distillate, Salicylic Acid, Epilobium Angustifolium Extract, Tocopheryl Acetate, Phenoxyethanol, Caprylyl Glycol, Potassium Sorbate, Hexylene Glycol, Fragrance

A New Dimension In Clinical Skin Care

Lightening Serum

A natural alternative to skin bleach for correction of uneven skin tone, dark spots, and overall brightening.

Lightening Serum combines the most advanced, natural skin lightening ingredients to suppress the flow of tyrosine which ensures only the areas of hyperpigmentation are lightened.

NATURALLY BOTANICALS PROVIDE BIO SUPPRESSION OF DISCOLORATION

Tyrosinase inhibiting actives produce a lightening of dark spots and help prevent new areas of hyperpigmentation.

HYALURONIC ACID AIDS IN SKIN HEALTH AND PROMOTES A MORE YOUTHFUL APPEARANCE

Well documented as an effective skin healing, hydrating, and plumping agent.

SUITABLE FOR SKIN TYPES NEEDING PIGMENTATION CORRECTION OR ARE AT RISK OF HYPERPIGMENTING

Can be used to treat existing discoloration, pretreat at risk (naturally pigmented) skin prior to in office treatments, and as an after peel treatment.

Lightweight serum is a targeted treatment for hyper-pigmentation control and skin tone correction. With each application, discolorations and dark spots diminish and new radiance is unveiled. Perfect for after exfoliation care to lessen the risk of post inflammatory hyperpigmentation.

Lightening Serum Directions:

Apply small amount to the skin as needed and follow with recommended moisturizer.

Label Ingredients:

Deionized Water, Chondrus Crispus (Carrageenan), Alpha Arbutin, Glycerin, Ethanol, Malva Sylvestris Extract, Mentha Piperita Leaf Extract, Primula Veris Extract, Alchemilla Vulgaris Extract, Veronica Officinalis Extract, Melissa Officinalis Leaf Extract, Achillia Millefolium Extract, Propylene Glycol, Sodium Hyaluronate, Glycyrrhiza Glabra Extract, Phenoxyethanol, Caprylyl Glycol, Potassium Sorbate, Hexylene Glycol.

A New Dimension In Clinical Skin Care

Time Defense Cream

Intense delivery of anti aging active ingredients in a light weight hydrating base.

Carefully formulated moisturizer for all skin types with skin nutrients that improve the texture, appearance, and performance of the facial epidermis.

REVITALIZING AND REBUILD THE DERMAL MATRIX

Promotes and amplifies collagen and elastin production

CAPTURE AND NEUTRALIZE FREE RADICALS

Powerful antioxidants diminish the damage caused by free radicals- one of the main causes of aging.

NOURISH SKIN CELLS

Healthy skin is better able to renew and repair the ravages of daily wear and tear

STIMULATE CIRCULATION AND REFINE THE EPIDERMIS

Maintain optimal dermal activity with skin stimulating botanicals and extracts

Defend your skin from the negative effects of time, the environment, and stress with proven anti-aging actives, skin renewing botanicals, and youth promoting peptides. Soften, smoothes, and hydrates for improved skin appearance.

Time Defense Cream Directions:

Apply to skin, preferably after serum treatment.

Label Ingredients:

Aqua, Brassica Napus Oil, Palmitoyl Hexapeptide-19, Hydroxyethyl Acrylate, Sodium Acryloyldimethyl Taurate Copolymer, Squalane, Ubiquinone, Polysorbate 60, Ethylhexyl Cocoate, Lecithin, Glycolipids, Glycerin, Aloe Barbadensis Leaf Extract, Hyaluronic Acid, Rose Hips Extract, Tea Tree Extract, Malus Domestica Fruit Cell Culture, Phenoxyethanol, Caprylyl Glycol, Potassium Sorbate, Hexylene Glycol, Caprylic/Capric Triglyceride, Triethanolamine, Fragrance.

skintech

A New Dimension In Clinical Skin Care

Time Defense Lightening Exfoliator

Gently refine and correct skin flaws such as discoloration, fine lines, sun spots, and uneven texture.

Time Defense Lightening Exfoliator removes dead skin cells to clear the path for treatment products to hit their target and correct discoloration

REVITALIZING THE SKIN SURFACE FOR A BRIGHTER, TIGHTER APPEARANCE

Promotes and amplifies collagen and elastin production making the epidermis appear more youthful

DISCOLORATION CORRECTION VIA A NATURAL BOTANICAL COCKTAIL

Mallow, Yarrow, Peppermint, Cowslip, Ladys Mantle, Speedwell, and Lemon Balm suppress tyrosinase production

CONSERVATIVE AMOUNTS OF GLYCOLIC AND LACTIC ACID MAKE THIS AN EFFECTIVE PRIMER FOR MECHANICAL EXFOLIATION (MICRODERMABRASION)

Instantly lifts cells for deeper product penetration, immediate glow, or to amplify effects of Microderm.

Daily chemical exfoliation removes the uppermost dead and damaged skin cells for a flawless, brighter complexion.

Time Defense Lightening Exfoliator Directions:

Apply to gauze pad and buff skin in a circular motion. Rinse with water after 1-3 minutes.

Label Ingredients:

Aqua, Glycolic Acid, Lactic Acid, Malva Sylvestris (Mallow) Extract, Mentha Piperita (Peppermint) Leaf Extract, Primula Veris Extract, Alchemilla Vulgaris Extract, Veronica Officinalis Extract, Melissa Officinalis Leaf Extract, Achillea Millefolium Extract, Xanthan Gum, Phenoxyethanol, Caprylyl Glycol, Potassium Sorbate, Hexylene Glycol
